

Remote Display Scales

These high precision floor scales provide the added benefit of remote displays that can be mounted on a wall or placed on a table for easy reading. Steel construction with a large stable platform guarantees safety and durability.

Features include:

- Remote LCD display on 9-foot cord
- Weighs in kilograms and pounds
- 18 gauge steel construction with baked enamel finish

For a complete set of features, specifications and packaging information, see reverse side.

Health o meter® Professional is the industry leader in medical scales providing advanced innovations and the highest level of quality and accuracy since 1919.
