

Escali™

Granda

The Escali Granda digital scale is a high end digital scale with a capacity of 220 lb / 100 kg with a wired remote display for easy reading. The oversized stainless steel platform is designed especially for weighing large and heavy objects.

Special features include:

- Capacity: 220lb / 100kg
- Measuring units: pounds / ounces and kilograms / grams
- Increments: 2 ounce and 0.05 kilogram
- Wired remote display with three easy operating keys
- Automatic shut-off feature ensures long battery life
- Programmable unit weight, lets you weigh items as a percentage of programmed unit weight
- Tare feature subtracts the container's weight to obtain the weight of its contents
- Large platform for weighing heavy objects
- Low profile and durable Stainless Steel weighing platform
- One (1) heavy duty 9V battery and 110V adapter are included

Specifications:

- Scale Dimensions: 11.5" x 11.00" x 1.25" (29cm x 28cm x 3cm)
- Cord: 6 foot, coiled
- Scale weight: 75 oz (incl. packaging: 98 oz)

Warranty:

Escali Granda scales are backed by a **five**-year warranty against manufacturer defects that may occur under normal operating conditions. Escali reserves the right to reject any warranty claim that is determined to be caused by improper handling, misuse, and/or abuse.
