

## WASHABLE UNDERPAD LAUNDERING INSTRUCTIONS

### Washing:

- Wash prior to initial use.
- Wash with like items and like colors.
- Machine wash in hot water with adequate rinse cycles.
- Do not use any fabric softener in wash as softener inhibits absorbency and wicking.
- Bleach Usage:
  - For White Underpads: Use limited amounts of bleach as needed. Excessive use of bleach will significantly reduce life expectancy of pad.
  - For Blue or Tartan Underpads: Use color-safe bleach only as needed.

### Drying:

- Set for Tumble Dry on medium heat.
- Maximum heat is 160°F.
- Remove promptly. Do not over-dry as excessive heat will reduce life expectancy of pad.
- Do not use iron of any kind on pad.
